To Whom It May Concern,

Re: BTCA Area Amendment, Bear Canyon Mine, C/015/025, Emery County, Utah

Enclosed are three DRAFT copies of an amendment to change the erosion control method for BTCA areas C, D, and F.

This amendment includes a study showing that natural vegetation can be used for erosion control in BTCA areas C, D, and F. Additionally page 70-45 was added behind the stream alteration permit explaining that culvert C-36U was not used in Bear Creek as described in the stream alteration permit.

If you have any questions, please call Mark Reynolds at (435) 687-5238.

Thank You,

Wendell Owen
