Outgoing File

Dear Owen:

The Division received your round two application to add a Tank Seam portal pad and access road to access the Wild Horse Ridge Tank Seam reserves on June 10, 2002. We anticipate completing this review by August 5, 2002. Mike Suflita has been assigned as the Lead on this project. Copies are being forwarded to the Bureau of Land Management and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Mike at (801)-538-5259 or me at (801) 538-5325.

Sincerely,
