**Re: Bond Amount, Bear Canyon Mine, ACT/015/025**

Dear Mr. Haddock

C. W. Mining Company is currently evaluating the impact that current projects will have on the required bond amount. These projects include the WHR expansion as built designs, the Blind Canyon and Ball Park reclamation, the Tank Seam reclamation, and the Mohrland expansion. Once C. W. Mining Company has determined what the bonded amount should be the bond will be increased to that amount.

If you have any questions, please call me at (435) 687-5238.

Thank You,

Mark Reynolds,  
Environmental Coordinator
