**CW Mining/Castle Valley Special Service District/North Emery Special Service District/
OGM/DEQ/Division of Drinking Water**

August 4, 2004

10:00 a.m.

Division of Oil Gas and Mining

1594 West North Temple

Room #1010

Salt Lake City, Utah 84114

Purpose of Meeting:

To discuss abandoned equipment in the Bear Canyon Mine, its possible impact on Big Bear and Birch Springs (culinary springs) and determination of which State or Federal Agency had jurisdiction over it and who has the liability for any future problems.

- 1- Welcome OGM**
- 2- Information and updates on the abandoned equipment in the mine by CW Mining. Explanation on when, where and how it happened, what materials and equipment involved, and future actions planned.**
- 3- Concerns of Water Users
An Explanation of culinary spring locations, and source water protection plans and protection zones. Concerns for future mine flooding, contamination of springs and liabilities if springs are contaminated.**
- 4- Other Related Concerns of Water Users**
 - a- Incident not reported to water user**
 - b- No requirements for hydrologic determinations after mines are closed**
 - c- Who has jurisdiction from state agencies on this type of incident**
- 5- Discussion by OGM and other State Agencies on the extent and probability of future contamination of springs by abandoned equipment.**
- 6- Discussion and determination by State Agencies on who has jurisdiction-Name, address and telephone number of person in charge.**
- 7- Future activities and plans where do we go from here?**
