To Whom It May Concern,

Re: Application to Change existing Mining Plan, 4 Mine Escarpment Failure Amendment, Bear Canyon Mine, ACT/015/025, Task ID #2343

We have updated Plate 3-4C to show that the longwall panel being mined between December 2009 and February 2010 will not extend beyond the subsidence zone. A comment was also added stating that only development mining will take place outside the approved subsidence area.

Thank You,

Mark Reynolds
