Mark/Charles,

Thank you for the emailed electronic copy of your IBC technical deficiency response. As per your email dated 4/13/05, we'll await receipt of the hard copies. I've checked our records again and we have no record of receiving them previously.

I also could not find record of receiving the 3 clean copies we requested for Task #2052 (culvert removal amendment) that you believe were sent to us already. Did you keep a copy of the transmittal letter and the C1/C2 form that you probably enclosed with them? Perhaps they were misplaced or just not received for some reason. Thank you for agreeing to send us replacement copies.

If you have questions, please give me a call (801) 538-5286.

Sincerely,

Wayne Hedberg
