Subject: Re: Bear Canyon Water Monitoring

Melissa,

I have uploaded all of the information for Bear Canyon from the pipeline into the permanent database. A report is attached.

I took care of the duplicate samples you mentioned.

It looks like you have included all required samples and parameters for the second quarter of 2005.

Please let me know if you have any questions.

Thank you,

The Bear Canyon Water Monitoring for Second Quater are in the pipe line ready to upload.

There were some sites that were entered in as field only and then again with paramaters from CT&E and then ok'd so we couldn't remove them. Could you remove them for us?. They are the field entries for the following sites. BC-1 (May), BC-2 (May), BC-3 (May), SBC-3 (May), SBC-5 (June), SBC-14 (May), and SBC-9a (May).
