Kathryn - We made a CD and will send it to you at the address below. The CD has the PHC (dated December 29, 2004) and the CHIA (dated September 24, 2004). The PHC was submitted as part of the Bear Canyon reformatting amendment (format changes only). The CHIA will be updated as part of the lease addition revision that will be determined administratively complete soon (which means that it will be published soon).

The cost for the CD is: \$20.00

If you have any questions, please let me know.

Pam

Thank you for sending me the permit renewal application. Would it be possible to send me a copy of the current PHC and CHIA for this as well?

Thank You,

Here is the permit renewal application for Bear Canyon that you requested. There were several items that I requested prior to determining this application complete: person who pays AML fees, updated ownership and control information, location identification on the Certificate of Insurance and payment of a violation assessment - which was paid immediately (all items were completed).

If you have any questions, please call me at 801-538-5268.
