Subject: Determination of Administrative Completeness for Bear Canyon Lease Addition,
Co-Op Mining Company, Bear Canyon Mine, C/015/0025 Task ID #2292,
Outgoing File

Dear Mr. Reynolds:

The Division has completed a review of the information you submitted on July 22, 2005. This application is considered to be administratively complete. A copy of our review worksheet is enclosed for your records.

At this time you should publish a Notice of Complete Application for adding 60 acres to lease U-024316, 2,196.09 acres to lease U-61049, 1,400 acres to lease U-46484, 1,108.27 acres to lease U-61048 and 2,740 acres of private property to the Bear Canyon Mine as required by R645-300-121. A copy of the affidavit of publication should be sent to the Division as soon as it is available. You should also insure that a copy of the application is on file at the appropriate County Courthouse.

The Division will complete a technical analysis, which must find that your application is technically complete. We will coordinate with other agencies and incorporate their comments into our review process. We anticipate that additional information may be necessary to make your application technically complete and look forward to working with you throughout the permitting process. Please call if you have any questions.

Thank you for your help in the permitting process.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
