Dear Mr. Reynolds:

1. Co-Op Mining Company will submit surface and ground water quality data for the Bear Canyon Mine on a quarterly basis for the Bear Canyon Mine in an electronic format through the Electronic Data Input web site, <http://hlunix.hl.state.ut.us/cgi-bin/appx-ogm.cgi>, throughout the life of the permit.
2. This permit becomes effective on November 2, 2005. The end of the public comment period is November 14, 2005. The permittee will comply with the requirements of any order of an informal conference as a result of this permit renewal.

Enclosed are two (2) copies of the renewed permanent program mining and reclamation permit with the above-noted conditions. Please read the permit to be sure you understand the requirements of this permit, then have both copies signed by the appropriate Co-Op Mining Company representative and return one to the Division.

If you have any questions, please call me or Pamela Grubaugh-Littig.

Sincerely,

John R. Baza
