Subject: CW Mining, Bear Creek Canyon Mine Cultural Survey

Hi Folks,

As many of you probably already know, I received Sagebrush's report on the cultural resources inventory for the CW Mining's proposed mine plan mod. earlier in the week. Just thought I'd drop you a quick note to confirm that it went out this morning via FEDEX to Matt (and the tribes via certified USPS) so he'd have more reading to do when he comes in on Monday. I'll keep you posted and forward copies of any comments as they come in. Happy Holidays to all!!! BE
