 Making the Most of Life

**Position: Internet Tech. Support CSR**  
 Department: ETV (Internet Tech. Support)  
 Job Status: Part Time  
 FLSA Status: Nonexempt  
 Reports To: Internet Tech Support Supervisor  
 Grade/Level:  
 Amount of Travel Required: 0%

Work Schedule: The Internet Tech. Support is open Monday through Friday from 8:00 a.m. to 9:00 p.m., and on Saturday from 10 to 4 p.m. Schedules will vary.  
 Positions Supervised: No supervision will be required with this job.  
 Position Summary: Under the direction of the Internet Tech. Support Supervisor, the CSR will receive phone calls dealing with customer internet issues. The CSR will help work on customer computers when the computers are brought in  
 Essential Functions: The CSR will need to be a good network technician. He/She will be assisting customers with all types of network related issues including but not limited to: no internet activity, no block sync on the DSL modem, slow modem speeds, etc. The CSR will need to be able to help the customer trouble shoot routers and other networking equipment. A good understanding of I.P addresses (both static and regular), MAC addresses and other internet protocol is required. The CSR will need to have a fairly flexible schedule and will work several evenings. The CSR will need to have excellent communications skills and be able to talk to upset customers that have other trouble shooting issues. The CSR will need to be able to assist customers, over the phone, in program or software.
