SUBJECT: Approval of Discharge Permit - Name Change, Co-Op Mining Company, Bear Canyon Mine, C/015/0025, Task ID #3033

Dear Mr. Reynolds:

The above-referenced amendment is approved effective October 28, 2008. A stamped "incorporated" copy is enclosed for your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

You submitted clean copies of the entire UPDES permit (in response to Conditional Approval of the Discharge Permit amendment, Task ID # 2971) that already incorporate this Permit Discharge - Name Change. The Division received those clean copies on October 27, 2008. These copies of the UPDES permit are ready for insertion into the MRP, so there is no need for additional, clean copies.

If you have any questions, please call me at (801) 538-5262.

Sincerely,

James D. Smith, Environmental Scientist III  
Permit Supervisor
