Subject: Conditional Approval of Bear Canyon Mine, C/015/0025, Water Monitoring Amendment, Task ID #3611

Dear Mr. Rushton:

The above-referenced amendment is conditionally approved upon receipt of 8 clean copies prepared for incorporation with the appropriate C1/C2 forms. Please submit these copies by October 7, 2010. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5262 or April Abate at (801) 538-5214.

Sincerely,
