Subject: Determination of Completeness for Permit Renewal, Task ID #3584, C. W. Mining Company, Bear Canyon Mine, C/015/0025, Outgoing File

Dear Mr. Rushton:

The Division received your application for renewal of the Bear Canyon Mine permit on June 30, 2010. An initial review of the submitted information indicates that the application is administratively complete. This renewed permit will authorize mining and reclamation activities for an additional five year term.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is filed with the county recorder. A copy of the Affidavit of Publication should be forwarded to the Division for insertion into the Mining and Reclamation Plan as soon as it is available. Thank you for your help in completing this permitting action. Please call me at (801) 538-5325 if you have any questions.

Sincerely,

Daron R. Haddock
Permit Supervisor
