Jaren,  
You mean with the Division. Not the Board? I will go ahead and make arrangements for the Informal Conference. Vickie Southwick will probably be contacting you to schedule the conference. You will need to tell Vickie whether you are just appealing the fact of the violation or if you are appealing the penalty assessment (I think the assessment just went out today) or both. Thanks.

Jaren,

We received your request for an appeal of citation #10096 on June 19, 2012. The concern that we have is that your appeal is addressed to the Board of Oil, Gas & Mining. You can do this but, I am thinking that you are really just wanting to hold an informal conference with the Division and not the Board. An appeal to the Board is very formal and you will need to have an attorney represent you at their hearing. Please let me know how you want to proceed and we will set up whatever you want. Thanks.
