DIV. OF OIL, GAS & MINING

Subject: 2013 Annual Report Submittal for Castle Valley Mining LLC Bear Canyon Mine, C/015/0025

Dear Mr. Haddock:

Enclosed the 2013 Annual Projections map. All other items concerning the 2013 Annual report sent via e-mail to you.

Impoundments: Reports provided in e-mail in PDF format.

Subsidence Map & Data: This map shows all of the surveyed monitoring locations in relationship to the underground workings in PDF format. Survey monitored data is attached as well in PDF format in e-mail.

Projected Mining maps: This map shows more than five years of projected mining in PDF format. A PE certified map provided in this packet.

Wildlife and awareness program: I would be glad to have someone from the Division come and talk to us. I have been incorporating this into our quarterly training. Our staff is well aware of wildlife protection here at the mining facility.

Identification of new cultural resources: We have not discovered any new cultural resources on the mining facility. If found the site will not be disturbed and Castle Valley Mining will contact the Division of Oil Gas and Mining.

Raptor Surveys: The 2013 Raptor survey was completed on 5/1/2013 by company representative Jaren Jorgensen and Darris Jones of EIS. Map & data provided in e-mail.

If you have any questions, please call me (435) 687-2178

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "JAREN JORGENSEN".
