Title: BOND RELEASE FAN & SUBSTATION UPGRADES

Operation Plan

Maps Facilities

Analysis:

No updates were made to surface facilities maps. Conditional approval is recommended based on receipt of a properly certified surface facilities map which shows the fan & substation upgrades.

Bonding Determination of Amount

Analysis:

The bond amount that is approved by the Division is the \$2,092,000 that is calculated in this amendment. Bond information showing this amount and all supporting calculations should be submitted.

In addition, the current bond amount is inadequate. Conditional approval is recommended based on the operator posting additional bond up to \$2,092,000.
