Jaren,

Wanted to follow up on the missing 004 data for Bear Canyon. Any luck with that? Please call me as soon as you can and let me know what's going on. I need to talk to you to avoid any potential enforcement action.

Thanks,  
Steve

Hi Jaren,

Just following up in Ken Hoffman's absence. You may not have known, but Ken took a job with DWQ. As such, I'm pinch hitting for him.

He indicated that we're missing data for Outfall 004 for 3rd quarter. If you could get that into the database ASAP, I'd appreciate it.

Let me know when it's in or if you have problems.

Thanks,  
steve
