Dana,

I am in receipt of your agency notification of administrative completeness for permit renewal of the Castle Valley Mining, LLC, Bear Canyon Mine, C/015/0025, Task ID#4957. The notification map shows that lands described as T16S, R8E, SLB&M, Section 31: NE4NW4 & NW4NE4 are included in the permit. SITLA owns the coal estate in these lands, and the lands are presently unleased for coal. Coal lease #ML 48264, previously covering the lands and held by C.O.P. Development Company, was cancelled by the Director on June 30, 2014. Castle Valley Mining, LLC, presently has no rights from SITLA relevant to coal mining in these lands.
