*In accordance with the provisions of the Utah Coal Mining and Reclamation Act,
Utah Code Ann. § 40-10-1 et. seq. (Act), the above referenced Citation is:*

Modified as follows:

Reason for modification:

Terminated because:

Vacated because:

The permittee had made some progress between December and May of 2015 in removing larger mining related equipment that was of no value. However the smaller materials that would be generally categorized as (trash or garbage) were observed on the property. Such has been the case at the Deer Creek mine during the previous 6 inspections. A violation is not warranted under these circumstances.
