To whom it may concern,

Castle Valley Mining LLC located in Huntington, Utah would like to appeal citations # 19151, 19154, 21171 issued on 03/29/2016. Castle Valley Mining feels that this needs further review and would like to request an informal conference. We would like to review the proposed penalties as well as the proposed violations.

In addition, Castle Valley would like to ask for a 30-day extension on citation 19151. To perform the construction in this area the mine entrance will be blocked violating MSHA rules. We are waiting for a long weekend like Memorial Day to do the construction.

Any questions please feel free to contact me (435) 687-2178

Sincerely,

JAREN JORGENSEN
