Subject: Extension of Time to Abate NOV 21171 Castle Valley Mining, LLC, Bear Canyon Mine, C/015/0025

Dear Mr. Jorgensen:

By this letter I am granting a 60-day extension to abate NOV 21171. By close of business on Monday August 29, 2016 you must have completed all abatement actions required by NOV 21171.

I considered your request for 90 days, but under R645-400-328.200 "the abatement period granted will not exceed the shortest possible time necessary to abate the violation." If after the 60 days you have diligently pursued abatement and can show need for a further extension, such extension will be considered at that time.

If you have questions, please contact Dana Dean at (801) 538-5320 or Daron Haddock at (801) 538-5325.

Sincerely,

John R. Baza, P.E.  
Director
