Dear Wayne:

In reviewing the October 11, 1985 submittal of the Genwal runoff and sediment control plan, I noticed that a couple of changes were not made to Plate 2 to reflect the revisions. I have, therefore, made these changes and am submitting eight copies to you for your files. Please discard the copies that were originally submitted.

Thank you for your assistance.

Sincerely,

Richard B. White, P.E.  
Principal Hydrologist
