Re: Loadout Permitting

Dear Ms. Nielson,

I am writing this letter in response to your letter dated October 23, 1985 regarding permitting of off-site loadout facilities. Genwal Coal Company at this time does not own or operate any loadout facility other than the one located at the mine site. All coal sold by Genwal is sold at the minesite. Therefore, it is our understanding that this permitting effort does not involve Genwal Coal Company.

If you should have any further question or comments please feel free to contact me and I will be happy to discuss this matter with you. Thank you for your time and consideration.

Sincerely yours,

  
Charles H. Gent Jr.  
Vice President
