Dear Mr. King:

Re: Assessment Conference for State Violations No. N86-4-1-4,
No. N86-4-6-1, and No. C86-4-3-1, ACT/015/032, Folder No. 8,
Emery County, Utah

As per your requests of September 16 and October 1, 1986, please be advised that Tuesday, November 25, 1986 at 1:30 p.m. has been established for the informal assessment conference on the referenced violations.

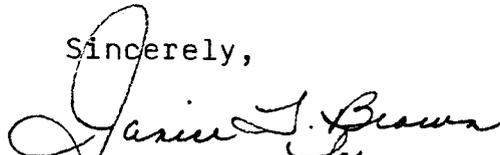

The 60-day time limit for scheduling the conference from the date of the proposed assessment for C86-4-3-1 (September 19, 1986) has been waived as a result of your request to postpone the originally scheduled (October 21, 1986) assessment conference. Violations N86-4-1-4 and N86-4-6-1 were administratively approved for conference on September 22, 1986. Should the November 25, 1986 conference be cancelled at your request, the proposed assessments for the above-cited violations will be finalized.

Pertinent, written material you wish reviewed before the conference can be forwarded to me at 124 State Capitol Building, Salt Lake City, Utah 84114.

The conference will be held in the office of the Division of Oil, Gas and Mining at the address listed on the previous page.

Sincerely,

Barbara W. Roberts
Assessment Conference Officer
