DIVISION OF  
OIL, GAS & MINING

Dear Mr. Hedberg:

We have received your April 28, 1987 letter with Genwal Coal Company's mid-term review responses. The pages and maps were reviewed with respect to the regulations governing the resource recovery and protection plan(R2P2) and are adequate. All the surface lands are on National Forest lands and out of our jurisdiction with regards to land uses and conflicts. We have no further concerns regarding the submittals.

Sincerely yours,

District Manager
