Dear Lowell:

We have received M&RP Amendment, Request to Expedite Bathhouses Approval, Genwal Coal Company, ACT/015/032-88B, File #2, Carbon County, Utah.

Genwal's bathhouse proposal contained in the five-year PAP was found to be described on Plate 3-14, Item 3-13 and Item 3-14. We have no problem concerning the proposal as long as the facility is constructed as described. Since no narrative was found to further explain the facility's operation, Forest Service consent is conditional based on the commitment that all sewage will be hauled off-Forest for disposal at a proper and approved facility.

Sincerely,

for
GEORGE A. MORRIS
Forest Supervisor
