Failure to mine in accordance with permit.
 Failure to conduct surface water monitoring and failure to mine in accordance with permit.
 Failure to mine in accordance with permit.
 Failure to mine in accordance with permit/Failure to construct and maintain class I roads/Failure to construct and maintain class II roads.
 Failure to mine in accordance with permit/Failure to pass all disturbed runoff through a sediment pond/Failure to maintain sediment controls.
 Failure to mine in accordance with permit/Failure to pass surface drainage from disturbed area through the sediment pond.
 Failure to protect stockpiled topsoil from erosion.
 Failure to place and store non-coal wastes in a controlled manner/Failure to ensure leachate and surface runoff don't degrade surface of groundwater.
 Failure to abate notice of violation within time.
 Failure to mine in accordance with permit/Failure to construct and maintain a diversion from sediment pond.
 Failure to abate notice of violation within time set for abatement.
 Failure to provide report on stability. OSM/ Div. of Mined Land Reclamation. Big Fork Coal Company. Virginia
