

GENWAL COAL COMPANY

Mining and Reclamation Plan Crandall Canyon No. 1 Mine

Volume 3

Act / 015 / 032

Pride & Performance

May 13, 1993

Table of Contents
Volume 3
Crandall Canyon Mine, Mine and Recalamation Plan

Appendices

<u>Appendix Number</u>	<u>Description</u>
5-17	Road Expansion (within permit area) Safety Factor, Drawings
5-18	Fire Prevention Plan
5-19	Slope Stability Investigation Portal Pad
5-20	Bond Estimate
6-1	Stratigraphic Sections A and B of The Blackhawk Formation
6-2	Acid-Base Accountability, Report of Results
6-3	Regional Structure Map
6-4	Regional Stratigraphic Section
6-5	Drilling Results
7-1	Water Rights Information
7-2	Crandall Creek Flow Data
7-3	Crandall Creek Water-Quality Data
7-4	Sedimentation Pond Calculations
7-5	Crandall Creek Flow Calculations
7-6	Slope Stability Analyses
7-7	Diversion Calculations
7-8	Information Submitted in Compliance with 30 CFR 77.216-1 and 30 CFR 77.216-2
7-9	Small Area Exemption Calculations
7-10	Sedimentaton Pond Calculations (As Built)
7-11	As-Built Calculations for Diversions and Culverts

5/4/93

- 7-12 Letter from U.S. Soil Conservation Service Concerning Alluvial Valley Floors in the Crandall Canyon Area
- 7-14 Water Share Certificate
- 7-15 Probable Hydrologic Consequences Determination
- 7-16 Geologic Occurrence and Use of Seeps and Springs
- 7-17 Seep and Spring Flow Rate and Temperature Measurements
- 7-18 Seep and Spring Specific Conductivity Measurements
- 7-19 Seep and Spring PH Measurements
- 7-20 Seep and Spring Field Water-Quality Summary
- 7-21 Underground Water Budget - January 15, 1991
- 7-22 Underground Sump Design - Lease ML-21569
- 7-23 Blind Creek, Crandall Creek, and Horse Creek Flow Calculations
- 7-24 Slug and Bail Test Results
