Dear Mr. Braxton:

Federal Ten-Day Notice 89-02-107-1 is being issued for violations that likely existed at the time of the last State complete inspection (LSCI). Specific details are as follows:

Date of Federal Inspection: 03-07-89 ; Date of LSCI: 01-04-89

The determination that the State did not cite the violations is based on one or more of the following reasons:

\_\_\_\_\_ The condition was identified in a State inspection report but no State enforcement action was taken.

\_\_\_\_\_ Design criteria or required certification has not been met for a structure in existence as of the last complete inspection (sediment pond, excess spoil fill, etc.)

\_\_\_\_\_ Necessary controls that were required at the time of the last complete State inspection have not been established (diversion ditches, sediment ponds, top soil protection, signs and markers, etc.)

Site conditions indicate that the violations noted had been in existence at the time of, or prior to, the last complete State inspection.

\_\_\_\_\_ Other (Give explanation).

Mr. Lowell Braxton

Indicate below the Division's reason(s) for not citing the alleged violation(s):

- Not a violation
- Precluded by State policy
- Not included under State program
- Warning given in Lieu of a Citation
- Violation not recognized (missed)
- Practice allowed under approved permit
- Too minor to cite
- Working with operator to correct
- Other: \_\_\_\_\_
