Utah Division of Oil, Gas & Mining
3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203Subject: Modifications to Genwal mining and
reclamation plan

Dear Mr. Braxton:

Attached are 8 copies of revisions to the Genwal Crandall Canyon Mining and reclamation plan in response to comments sent to Genwal on June 21, 1989 by Susan C. Linner. Pages 7-63 and 7-63a should be inserted in place of the existing page 7-63. Calculation sheets 17 through 21 should be inserted into Appendix 7-4 at the end of the existing calculations, just prior to the SEDIMOT II printouts. Genwal is delivering additional responses to Division comments to the Division office in Price today.

Please contact Allen Childs of Genwal if you have any questions concerning this submittal.

Sincerely,

Richard B. White, P.E.
Principal Hydrologist
