Act 01560
#12

June 6, 1990

Dr. Dianne R. Nielson, Director
Utah Division of Oil, Gas & Mining
355 West North Temple
3 Triad Center, Suite 350
Salt Lake City, Utah 84180

Dear Dianne:

The Division has evaluated Genwal Coal Company's submittal for an underground right-of-way at their Crandall Canyon Mine. Since new surface disturbance will not result, the Division has no concerns. At the time of pillar extraction, if subsidence will occur, the Mine and Reclamation Plan will need to be modified to address subsidence/wildlife issues.

Thank you for an opportunity to review and provide comment.

Sincerely,

Timothy H. Provan
