Dear Rick:

Enclosed are 14 updated copies of pages 13-8, 13-9, 13-10, and 13-12 of Genwal Coal Company's Right-of-Way coal mining permit. These pages required modification after Genwal successfully located the spring (SP-47a) associated with WUC 93-1407 (see attached DOGM letter dated July 31, 1990).

Please don't hesitate to call if you have any questions or comments.

Sincerely,

Brent Bovee
