Dear Mr. Childs:

Re: Mid-Permit Term Review, Genwal Coal Company, Crandall Canyon Mine,
ACT/015/032, Folder #2, Emery County, Utah

On April 11, 1990, the Division requested 14 copies of your Mining and Reclamation Plan (see attached letter). This request essentially initiated the Mid-Permit Term Review for permit ACT/015/032. As of this date, we have not received the requested copies and are unable to proceed with the Mid-Permit Term Review.

It appears we may have overlooked placing a deadline date on submitting additional copies of the Mining and Reclamation Plan. Would you please submit the requested copies by August 31, 1990.

Thank you for your help in resolving this matter.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
