RE: Permit # ACT 015-032
Genwal Coal Company
Letter dated November 14, 1990

Dear Mr. Haddock:

As I discussed with you by telephone this morning, Genwal Coal Company is not able to comply with the January 14, 1990 suspense date for revising and submitting chapters three and seven of our Mining and Reclamation Plan.

Chapter 7 has been completed and is ready for submittal. However, we will hold chapter seven until chapter three has been completed, at which time we will submit both chapters together.

I apologize for not meeting the suspense date. With the unexpected problems with the fan, mapping, loadout project, and personnel situations, our staff could not dedicate the time needed to complete the revisions on time.

Your understanding and cooperation is greatly appreciated. The new deadline of February 1st will give us enough time to complete chapter three. Chapters three and seven will be submitted by February 1st.

Should you have any questions or would like to discuss this in further detail please call Randal Ralphs or Jay Marshall (687-9813) at your earliest convenience.

Sincerely;

R. Jay Marshall P.E.
Chief Engineer
