Dear Mr. Haddock,

RE: Haul Road Resurface and Expansion Amendment, Genwal Coal Company, Crandall Canyon Mine, ~~ACT/015/032-91B~~, Folder #2, Emery County, Utah.

We have reviewed the Amendment for Proposed Haul Road Resurface and Expansion. The determination of the safety factor for the reconstruction of roadways within the mine site did not include the retaining wall and additional fill material in the calculations as shown on the plans for resurface submitted to this office. The factor of safety should be recalculated using these loadings and/or surcharges.
