Re: Notice Of Intent Dated December 17, 1990

Dear Mr. Ralphs:

During a file search of our office case files, we found that our records show that a Notice of Intent (NOI) had been submitted for a modification of surface facilities at the coal mine in Crandal Canyon dated December 17, 1990, and received at this office on December 26, 1990. We are unable to locate the notice. Also, your letter dated March 27, 1991, references an NOI you are working on.

Please submit a copy of the December 17, 1990, NOI and any additional information on the increased production as soon as possible to:

F. Burnell Cordner
Division of Air Quality

Also please send a copy of the NOI to:

Pricilla Burton

Sincerely,
