RE: Duplicates of Reclamation Agreement signature pages and Affidavits; and information concerning sediment pond waste disposal. Genwal Coal Co. Emery County. Utah.
ACT/015/032. Folder #2.

Enclosed are portions of the Reclamation Agreement for your "inspections binder." In pencil, at the top of each page, I have marked the section of the Reclamation Agreement they belong to (see Table of Contents of the Reclamation Agreement).

Also enclosed is a copy of the Memo from Lowell Braxton to which I referred in my last inspection report. This memo describes the Division's policy with regard to sediment pond sludge. I would appreciate it if you would bring this memo to Allen Child's attention.

Sincerely,

A handwritten signature in cursive script that reads "Priscilla Burton".
