Dear Mr. Childs:

Re: Continuing Deficiencies in Chapter 3, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-92F, Folder #3, Emery County, Utah

The Division has completed a review of your latest Chapter 3 submittal received at our offices on February 18, 1992. It appears there are still a number of deficiencies with your plan that still remain uncorrected. Please review the attached technical memos which explain the deficiencies and make the required corrections by no later than May 14, 1992. Failure to correct these deficiencies may result in enforcement action.

Thank you for your help in updating your Mining and Reclamation Plan. If you have any questions please call me or the appropriate member of my staff.

Sincerely,

Daron R. Haddock
Permit Supervisor
