Dear Mr. 2~:

Re: Supplemental Information to Chapter 14, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-92C, Folder #2, Emery County, Utah

Enclosed is one (1) copy of Genwal Coal Company's final approved plans for PAP Amendment for the Crandall Canyon Mine in Emery County, Utah. This material should be used to update your file copy of the approved Permit Application Package (PAP) for this mine and supplements the material transmitted to you on April 16, 1992.

The Division approved this permit change on April 28, 1992. (Note: Genwal has been required to incorporate the information in Chapter 14 into the Mining and Reclamation Plan. This should occur shortly, but for the time being Chapter 14, State Leases, will remain as a separate chapter.)

If you have any questions or need additional information, please contact me or Randy Harden, Senior Reclamation Engineer, at your earliest convenience.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".

Daron R. Haddock
Permit Supervisor
