Dear Mr. Marshall:

Re: Approval of Plate 3-1 Amendment, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-92E, Folder #3, Emery County, Utah

The Division has completed a review of your amended Plate 3-1 submitted on April 22, 1992 and intended to abate Violation N91-15-2-3. The revised Plate 3-1 is considered adequate to abate the violation and amend your MRP. Your Plate 3-1 amendment is hereby approved.

The Division realizes that a new Plate 3-1 has been received on May 28, 1992 in conjunction with your new Chapter 3 submittal. We are in the process of reviewing it and will let you know if it is acceptable.

Thank you for your cooperation during the permitting process. If you have any questions, please call.

Sincerely,
