To Whom It May Concern:

In accordance with the new federal regulations, both MSHA and OSHA, it is at this time that we make this request. From this date forward any deliveries made to Genwal, utilizing any chemically composed product, must be accompanied by a material safety data sheet. If you have any questions, please contact me at (801)-687-9813 main office or (801)-381-5420.

If you do not deliver any products that are chemically composed that require material safety data sheets, please disregard this letter.

Sincerely,

Jim Pruitt
