RE: Permit # ACT 015-032
Genwal Coal Company
Additions to Appendix 3-8, UDOGM LETTER

Dear Mr. Haddock:

Please find enclosed 14 (fourteen) copies of two (2) letters written to Larry Johnson of Genwal Coal Co. from Mr. Kenneth W. Phippen of the Utah State Division of Wildlife Resources. The first letter dated September 27, 1993 recommends certain procedures for enhancement of wildlife to be accomplished during the reclamation phases of the Crandall Canyon mine site in Crandall Canyon. The second letter dated October 6, 1993, reflects the withdrawal of Genwal Coal's commitment for the enhancement project in the Left Fork of Huntington Canyon.

Please add these two letters to the end of Appendix 3-8, UDOGM LETTER.

Should you have any questions or need additional information, please contact me at 687-9813.

Sincerely,

GENWAL COAL COMPANY
Larry W. Johnson
Engineer
