RE: Permit #ACT 015-032  
Genwal Coal Company  
Additions and replacements to the LBA#9 Amendment submitted  
12/1/93

Dear Mr. Haddock:

Please find enclosed three (copies) of the material submitted and approved for the approved Mine and Reclamation Plan. The enclosed Diversion and Culvert Amendment, ACT/015/032-93G has been approved to be incorporated into the approved MRP and thus needs to be incorporated into the LBA#9 Amendment

These changes are for the New submitted MRP that LBA#9 has been incorporated into and should be included in the review of that document.

If you should have any questions or need additional information, please contact me at 687-9813.

Sincerely,

A handwritten signature in cursive script, appearing to read "Larry W. Johnson".
