Re: Response to Request to Relinquish Special Use Permit (SUP), Crandall Canyon Mine, Genwal Coal Company, ACT/015/032, Folder #2, Emery county, Utah

Dear Mr. Zeller:

In response to your letter dated November 30, 1994, the Division has no objections to the termination of the Special Use Permit (SUP) and the release of the bond for the underground access way for the Crandall Canyon Mine. This area has been incorporated into Lease #68082 which is part of the recently approved permit area, approved on November 3, 1994.

If you have any questions, please call me or Pamela Grubaugh-Littig.

Sincerely,

A handwritten signature in cursive script that reads "Lowell P. Braxton".
