RE: Genwal Response, Longwall Amendment Deficiencies and LBA #9 Stipulations,
ACT/015/032, Folder #2
ML 21568--Coal

Copy [Signature]

Dear Ms. Grubaugh Littig:

I have reviewed Genwal's response to hydrological and wildlife concerns. I believe that Genwal has properly addressed these issues and has given full assurance that it will take all measures necessary to mitigate any harmful impacts to the environment. The Trust Lands Administration has no additional concerns over these issues.

Thank you for this opportunity to comment.

Sincerely,

JOHN T. BLAKE
