Re: Approval of Designation of Operator, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-94G, Folder #3, Emery County, Utah

Dear Mr. Childs:

The information submitted for the above-noted amendment is approved for the designation of Genwal Resources, Inc. as operator for the Crandall Canyon Mine. The bond for this mine is posted by Genwal Coal Company as well as the liability insurance. Updated permit information has been input into the AVS system with a 510 (c) check and an "issue" OSMRE recommendation, see memo attached.

This information, however, must be reformatted for inclusion in the mining and reclamation plan, see attached review. Please address these details by February 10, 1995.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela Grubaugh-Littig'.
