**Re: Revised Chapter 7 for the Culvert Expansion Permit Amendment; Crandall Cyn Mine,
ACT/015/032.**

Dear Sirs:

Genwal is submitting a revised Chapter 7 and Hydrology Appendices for the Culvert Expansion Permit Amendment. Although the earlier submittal had the same information, this revision is presented in a clearer and more concise manner in order to make the Division's response easier.

Perhaps after an initial review of the amendment we should set up a meeting to review any immediate questions to clarify the response. Please call me if this is the case.

Sincerely
