Dear Gary,

In response to your March 12th letter requesting to use the trailhead parking area during your longwall move, permission is granted. This letter will serve as authorization for the requested activity during the period of 17-28 March 1997.

Please ensure that the road remains open as you described in your request, and that only the crane is stored in the parking area, next to the warehouse.

If you have questions, need an extension, or other difficulties are encountered, please contact Jeff DeFreest, Ferron-Price District Geologist or me at the above address.

Sincerely,

For
JOE REDDAN
